3 Women is a 1977 American avant-garde drama film written and directed by Robert Altman and starring Shelley Duvall, Sissy Spacek and Janice Rule. It depicts the increasingly bizarre, mysterious relationship between a woman (Duvall) and her roommate and co-worker (Spacek) in a dusty, underpopulated Californian desert town.. The story came directly from a dream Altman had, which he adapted into ...

Books Several textbooks on SML programming are available. We recommend the first two in this list. ML for the Working Programmer assumes a little more programming experience than Elements of ML Programming, however either one ought to be adequate for learning the language. Both of these books are in their second editions, now covering the SML '97 version of the language and Basis.
