

### **an unfinished symphony 21st pdf**

Composition in the 21st century. Like the term 20th-century classical music, "21st-century classical music" is defined entirely by the calendar and does not refer to a historical style period in music—in the sense that Baroque and Romantic do—but rather to all art music produced since the year 2000. Musicologists generally say that we are in the contemporary music period—a term which ...

### **21st-century classical music - Wikipedia**

A symphony is an extended musical composition in Western classical music, most often written by composers for orchestra. Although the term has had many meanings from its origins in the ancient Greek era, by the late 18th century the word had taken on the meaning common today: a work usually consisting of multiple distinct sections or movements, often four, with the first movement in sonata form.
