Concept Metaphysics. The nature of cause and effect is a concern of the subject known as metaphysics.. Ontology. A general metaphysical question about cause and effect is what kind of entity can be a cause, and what kind of entity can be an effect.. One viewpoint on this question is that cause and effect are of one and the same kind of entity, with causality an asymmetric relation between them.

In chaos theory, the butterfly effect is the sensitive dependence on initial conditions in which a small change in one state of a deterministic nonlinear system can result in large differences in a later state.. The term, coined by Edward Lorenz, is derived from the metaphorical example of the details of a tornado (the exact time of formation, the exact path taken) being influenced by minor ...
