Guideline on Caries-risk Assessment and Management for

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Management - Wikipedia

In the late spring of 1896, after the Tennessee River flood waters had receded from the willow banks, a group of New Englanders appeared on the grounds of an amusement park at the end of the Riverview Trolley Line, north of Hill City.
