Rising Sea In 2012, Hurricane Sandy slammed into New Jersey, producing a major storm surge and damaging or destroying many thousands of homes. Over the years that followed, builders put up new houses and reconstructed damaged ones " in many areas that will be vulnerable to more flooding in the future.

Ocean at the Door: New Homes and the Rising Sea

The Rising Sea is an interesting exploration into science fiction as an underwater mining operation threatens the world with rapidly rising sea levels. The addition of life-like robots makes for even more adventure as Kurt Austin and his colleagues manage to escape from one "close call" after another.
