

what are the objectives pdf

Objectives define strategies or implementation steps to attain the identified goals. Unlike goals, objectives are specific, measurable, and have a defined completion date. They are more specific and outline the “who, what, when, where, and how” of reaching the goals.

Step 2 Define Goals and Objectives - michigan.gov

Objectives are more immediate than goals; objectives represent annual mileposts that your program needs to achieve in order to accomplish its goals by the end of the five-year funding period. Each year, your workplan objectives should be based on the strategies you have selected to reach your program goals.
